GENEL SEMİNERİ**

**(HACETTEPE UNIVERSITY MATHEMATICS  
GENERAL SEMINAR)**

**Tarih (Date):** 19 Nisan 2017, Çarşamba (Wednesday)

**Saat (Time):** 15:00

**Yer (Place):** Yaşar Ataman Seminer Salonu

**Konuşmacı (Speaker):** Özgün Ünlü (Bilkent Üniversitesi)

**Başlık (Title):** Free Actions of Finite Groups on Manifolds

**Özet (Abstract):**

In this talk, we will discuss known group theoretic restrictions on finite groups that can act freely on some manifolds and discuss some methods of constructing free group actions on manifolds. Especially, we will discuss free group actions on products of spheres.
